

Make a Move

There's a Bridge to Cross

It's hard to understand why so many Christians choose not to share their faith.

- Think about your salvation: *God's rescue of us has transformed us deeply.*
- Think about your eternity: *God has replaced eternal judgment with eternal life.*
- With this in mind, why are we so reluctant to share our faith?

What truth does a person need to know in order to become a Christian?

1. You have sinned and your sin separates you from a holy God. Romans 3:23
2. Your sinful condition results in condemnation and judgment. Romans 6:23
3. God loves you, so He sent His Son to be your Savior. Romans 5:8
4. You can't ever be good enough to earn your salvation. Ephesians 2:8,9
5. Jesus is the only way you can be at peace with God. John 14:6
6. You must decide to recognize Jesus as your Savior. Romans 10:9,10

Sharing our faith involves more than simply relaying the facts of the Gospel.

- The telling of our faith story validates the reality of the Gospel message.
- Begin to formulate and write the story of your spiritual journey. (Testimony sheet)

Don't put added pressure on yourself as you cross the bridge to share your faith.

- Ultimately only God can draw a sinful person unto Himself. John 6:44
- Our job: Simply share the truth and leave the results to God.

Further Study and Pondering:

2. Discuss the leading reasons you think many Christians don't share their faith.
3. How should the reality of hell impact our resolve to share the Gospel?
